

Tools for training your staff

WebJunction Products and Price List

Since 2003, WebJunction has helped more than 40,000 library staff build job skills by partnering with a wide variety of library organizations to deliver cost-effective training programs. Our partners range from state libraries that develop custom learning communities, to library organizations that use our deep catalog of online courses on technical, general and library skill-related subjects for staff training.

Online Courses

Provide your staff with easy, anytime access to the training they need. With online courses from WebJunction, you can deliver effective, relevant training right now. WebJunction offers two ways to purchase training for your staff and receive significant savings on the list price.

A **volume course** purchase offers the flexibility of course dollars your staff can redeem for any course in our catalog. Pricing for this option:

List price	Discount	You pay
\$1+	0%	\$1+
\$2,000+	12.5%	\$1,750+
\$6,000+	25%	\$4,500+
\$12,000+	37.5%	\$7,500+
\$40,000+	50%	\$20,000+

A **course set** offers a guided learning solution where staff enroll in an in-depth five-course series on the topics you choose. Each purchased set includes enrollment for one person in the five courses that make up each set (a \$200 value). Available course set topics include customer service, leadership, new director training, Windows 7 deployment and Microsoft Office. Pricing for this option:

Course sets	Discount	You pay
1 – 9	10%	\$180 each
10 – 19	15%	\$170 each
20+	25%	\$150 each

Custom Catalog

Deliver and manage all of your staff training from a single location. With a Custom Catalog you can host, promote and track staff training that your staff can access anytime, anywhere. Your Custom Catalog can include any course from the WebJunction catalog, and any courses you create. You can also determine course price or registration guidelines.

Cost	Description
\$10,000	Catalog accessible only to your members or staff; select from WebJunction’s 600+ course collection plus add your own self-paced and instructor-led courses (requires a minimum \$2,500 online course purchase)

More about WebJunction

In keeping with our mission, WebJunction offers services at the lowest possible price to the library community. We invest up front in development, customization, testing and licensing, so that we can pass substantial savings onto our partners compared to most commercial solutions. Our services are fully hosted and include ongoing upgrades and feature enhancements. All of our partners are assisted by our professional partner management and support team.

Perhaps the best reason to partner with WebJunction is that all of our services are built on the foundation of the WebJunction.org community, a thriving group of library staff who represent the worldwide library profession by sharing and contributing knowledge and experience, using a suite of powerful social tools found only at WebJunction. By taking advantage of any of these services, you tap into this vibrant ongoing conversation.
