

Offer a single place for library staff to gather for resources, news and support.

With a Custom Community from WebJunction you can easily build and manage an online community designed for those your organization serves.

WebJunction's Custom Community helps you stay visible and engaged—and you can build on our existing community to meet local needs.

TAILORED FOR LIBRARIES

- Choose which topics from the WebJunction.org site are relevant for your community, with the option to share more than 4,000 free content resources with your members.
- Create and instantly publish your own content, without the need to learn a separate publishing tool.

CONVENIENT AND FLEXIBLE

- Take advantage of WebJunction's flexible structure and content, which is regularly updated and refreshed.
- Easily repurpose resources to meet local needs.
- Save staff time by centralizing programs, articles and discussions.
- Grow your site as your organization's mission, vision and resources grow.

VISIBLE AND FORWARD-FACING

- Increase visibility of your organization's services with interactive news, announcements and features.
- Show leadership by embracing new and essential Web tools that allow both administrators and users to collaborate and connect.
- Demonstrate your commitment to providing staff with the resources they need to be successful.

ABOUT WEBJUNCTION

Since 2003, WebJunction has helped more than 40,000 library staff build their job skills by partnering with library organizations to deliver cost-effective staff training and development programs. Our vision is to be the place where the worldwide library profession gathers to build the knowledge, skills and support we need to power relevant, vibrant libraries.
