

**Deliver and manage  
all staff training from  
a single location.**

With a **Custom Catalog** from WebJunction you can host, promote and track staff training from a single Web site that can be accessed by your staff anytime, anywhere.

# WebJunction's Custom Catalog allows you to quickly and easily build and manage a robust training program.

## CONVENIENT

- Setup is a snap—you won't need special technologies or expertise, and you can manage your catalog without additional dedicated staff.
- Staff can manage their own learning from a personalized course page. Your catalog is available to all staff, anytime, and from any place that can access the Web.

## COST-EFFECTIVE

- Let WebJunction provide the core staff training so that you can spend your time focusing on learning needs unique to your organization.
- Save time and resources by hosting, promoting and managing all of your training from a single, central location.
- Track learners, course enrollments, starts and completions.

## ABOUT WEBJUNCTION

Since 2003, WebJunction has helped more than 40,000 library staff build their job skills by partnering with library organizations to deliver cost-effective staff training and development programs. Our vision is to be the place where the worldwide library profession gathers to build the knowledge, skills and support we need to power relevant, vibrant libraries.

For more information about our courses, contact [info@webjunction.org](mailto:info@webjunction.org) or visit [www.webjunction.org/customcatalogs](http://www.webjunction.org/customcatalogs)

## TAILORED FOR LIBRARIES

- Choose from over 600 courses, selected specifically to meet the needs of today's libraries. Course topics include customer service, computer technology, library management, basic library skills and more.
- Control which courses your users can access. Add your own courses or training events—right to the same catalog.
- Use WebJunction's Competencies to identify the job skills and knowledge library staff need, linking them with relevant courses and free resources.
