

eAudiobooks: Purchasing options

OCLC NetLibrary and Recorded Books, the world's largest producer of unabridged eAudiobooks, are working together to deliver new eAudiobook titles and collections. We are offering several purchase options to meet the needs of your library and users.

(1) Premium subscription collections

This subscription program enables your library to subscribe to a growing collection of unabridged eAudiobooks for an annual fee with new titles added at no additional cost. Titles are delivered to users on an unlimited simultaneous access model.

With three all-new premium collections to choose from, you'll find something for every library and every library budget. Available collections include:

- **Core Adult Collection.** A growing collection of the latest audio best-sellers, book club favorites, award-winning authors, timeless classics and more. Each month, 15 new titles are added to the collection.

Key benefits

eAudiobooks from OCLC and Recorded Books provide:

- One-click access through the NetLibrary Media Center
- The ability to download eAudiobook titles to portable devices
- 24/7 convenience for your end users
- OCLC MARC records free of charge

(2) Purchase program titles

Once your library has subscribed to the Premium Adult Core or Premium Academic Collection, you'll be able to enhance your subscription by selecting from our growing catalog of more than 700 Recorded Books titles available for purchase. All titles are provided on a single-access model.

You'll find new releases, bestsellers and award winners, with more titles added monthly. Additionally, the world-renowned Pimsleur Language Program titles are available at 50% off list for an initial, three-year license and 25% off list for three-year license renewals. You can purchase the Pimsleur titles individually or as a collection.
