

Managing your finances is more important than ever

Earn 4.00% APR when you participate in the OCLC Subscription Deposit Program

When you deposit funds through the OCLC® Subscription Deposit Program, your library will earn a monthly credit that is applied to your subscription deposit balance. Payment of monthly invoices will be automatically withdrawn from your subscription deposit balance.

Your participation in the Subscription Deposit Program earns your library a credit of 4.00% APR through December 31, 2012, based on the average daily balance of funds in the account over a one-month period.*

Start earning credits with the Subscription Deposit Program today!

Any account that your library has with OCLC is eligible to receive this credit through the Subscription Deposit Program. To get started, complete the form at:

www.oclc.org/support/forms/pdf/preinv.pdf

Just specify which accounts you would like to deposit funds to, and submit the completed form, along with your payment, to the address indicated on the form.

Prompt payment discount

Even if you are unable to take advantage of the OCLC Subscription Deposit Program, you can still receive a prompt payment discount of 2.00% APR for paying your invoice on or before the last day of the month following the invoice date.
