

# LexisNexis Government Periodicals Index

## *Description*

- a. LexisNexis® Government Periodicals Index provides a unique index to the full spectrum of U.S. government periodicals to facilitate research.
- b. LexisNexis Government Periodicals Index is your key to unlocking the wealth of material published by the United States federal government. As a publisher of information relating to diverse subjects—business, agriculture, national security, the environment, nutrition, transportation and more—the federal government offers numerous magazines and newsletters with substantial research value. Examples of topics that have received attention in recent publications include:
  - i. Preparedness for chemical warfare
  - ii. The latest in cancer therapy advances
  - iii. Teaching English as a second language
  - iv. Opportunities for selling U.S. products in foreign markets
- c. LexisNexis Government Periodicals Index helps researchers access this type of information through detailed indexing.

## *Features*

- a. Desktop access to indexes of U.S. Federal publications for rapid and thorough research.
- b. LexisNexis® Government Periodicals Index provides researchers with indexing of full-text government publications direct to desktop campus-wide. Users may take advantage of the service's powerful proprietary LexisNexis search engine to bring them information from 170 current Federal publications that may be accessed by subject and author.
- c. Coverage is broad enough to suit the needs of any library and includes retrospective coverage through 1988 of over 70 additional Federal publications of major research, reference, and general interest value. Thoughtfully designed cross-references make identification of articles highly reliable. LexisNexis Government Periodicals Index is updated quarterly with approximately 2500 additional articles from scores of Federal departments and agencies responsible for business, agriculture, national security, the environment and natural resources, health and safety, food and nutrition, transportation, and more. Toll-free 24/7 customer service is available.

## *Pricing/Subscriptions*

- a. LexisNexis® Government Periodicals Index is priced competitively to suit libraries regardless of size.
