

LexisNexis Statistical: Statistical Abstract and Index Modules

Description

- a. Optional modules provide online versions of three renowned CIS indexes: American Statistics Index (ASI), Statistical Reference Index (SRI), and Index to International Statistics (IIS).
- b. While PowerTables functionality offers fast access to selected tables in unprecedented depth, the Abstracts provide broader, comprehensive coverage.
- c. 24/7 Customer service is available toll-free.

Pricing/Subscriptions

- a. LexisNexis® Statistical Abstract and Index Modules are priced individually.
