

**.4 \*Porifera**

Class here Parazoa

Class here sponges

**.42 \*Calcispongiae**

Including Calcaronea, Calcinea

Class here Calcarea

**.44 \*Hyalospongiae**

Class here Hexactinellida

Class here glass sponges

**.5 \*Cnidaria**

Class here Coelenterata

*For Anthozoa, see 593.6*

**.6 \*Anthozoa**

Including Alcyonaria, Zoantharia (Hexacorallia)

Including fans, pens, sea anemones

Class here corals

**.8 \*Ctenophora**

Including Nuda, Tentaculata

Including sea walnuts

Class here comb jellies

**.92 \*Crinozoa**

Class here Articulata, Crinoidea

Class here sea lilies

**.93 \*Asterozoa**

Including Concentricycloidea, Forcipulata, Phanerozonia, Spinulosa, Stellerioidea

Class here Asteroidea

Class here starfish

*For Ophiuroidea, see 593.94*

- 
- .94      \*Ophiuroidea  
            Including Phrynophiurida  
            Including basket stars  
            Class here Ophiurida  
            Class here brittle stars
- .95      \*Echinozoa  
            Including Perischoechinoidea  
            Including sand dollars, sea urchins  
            Class here Echinoidea, Euechinoidea  
                    *For Holothurioidea, see 593.96*
- .96      \*Holothurioidea  
            Including Apodacea, Aspidochirotacea, Dendrochirotacea  
            Class here sea cucumbers
