

Statement on Guests at Global Council meetings
Adopted by the Global Council Executive Committee
March 17, 2011

The Global Council cordially invites guests to attend its Annual Meeting. Guests are welcome to participate in the whole meeting but voting in Council is limited to Council delegates. On rare occasions, the delegates may go into an executive session, at which time visitors will be asked to leave the room.

To secure an invitation, please [contact your Regional Council Chair](#). The Regional Council Chair will work with the Global Council President and OCLC staff to ensure that there is sufficient space to accommodate requests and to prepare a letter of invitation. The Global Council President and the OCLC staff will make all efforts to fulfill the requests although because of technical and organizational conditions participation cannot be guaranteed.
