

New and Changed Entries May 2008

The following selected new and changed entries are effective on May 1. The biggest change is a discontinuation of inventions from 608 to 600. In addition, we have made some changes at 608 to remove dual provision for persons treatment of inventors and patentees. Changes to schedule numbers are indicated only by underlining. Other changes are underlined, and deletions are marked by strikethroughs. Please consult WebDewey for complete access to all updates to DDC 22, and Abridged WebDewey for complete access to all updates to Abridged Edition 14.
