

New and Changed Entries February 2009

The following selected new and changed entries are effective on February 1. The changes concern systems of psychology and include two new entries. Changes to schedule numbers are indicated only by underlining. Other changes are underlined, and deletions are marked by strikethroughs. Schedule entries without underlining or strikethroughs are old entries that are included for context. Please consult WebDewey for complete access to all updates to DDC 22, and Abridged WebDewey for complete access to all updates to Abridged Edition 14.
