

## NetLibrary eAudiobook Subscription Collection Featuring Blackstone Audio

This growing subscription collection offers more than 2,100 unabridged eAudiobook titles, including more than 1,250 iPod-compatible titles. This collection features best-sellers, popular adult fiction, children's literature, timeless classics, movie tie-ins, plus the latest in business and self-help—all to serve the diverse interests of your library's user community.

.....

### Collection overview

Through an expanded partnership with Blackstone Audio Inc., the third-largest producer of unabridged audiobooks in the U.S., OCLC® NetLibrary is pleased to offer libraries an extensive collection of more than 2,100 eAudiobook titles, including more than 1,250 iPod-compatible titles, through an annual subscription. Approximately 15-25 new titles are added per month at no additional cost.

The collection spans more than 30 subject areas in both fiction and nonfiction categories of adult, young adult and children's titles, including:

- Biographies & Memoirs
- Business
- Children's & Young Adult
- Classic Literature
- Government & Politics
- History
- Historical Fiction
- Humor
- Mystery & Suspense
- Philosophy
- Popular Fiction
- Self-Help
- Science Fiction & Fantasy
- Sports & Recreation
- Westerns

### NetLibrary features

- Anytime, anywhere online access
- No check-out caps
- Seamless integration with your library's existing NetLibrary® eContent
- Titles can be played on numerous WMA-compatible portable devices and MP3 players, including iPods
- E-mail notifications of new and forthcoming content

### User access and license

Titles are delivered online with simultaneous, multiuser access in the Windows Media Audio (WMA) format. Users can check out and download up to 10 titles at a time for a period of up to 21 days. Titles may be transferred for up to two WMA-compatible, portable devices. At the end of the checkout period, titles are automatically returned to your library's catalog.

### Subscription pricing

This offer is available as an annual subscription to all library types and is consortia-eligible. The 12-month subscription rate is determined by the type and size of your institution. Under each library type, the rates are divided into seven price categories, ensuring access to all libraries. Library category types are as follows:

- Academic
- Community College
- Public Library
- K-12 School
- Corporate
- Federal/Military

Your annual Blackstone Audio subscription will include the following benefits:

- Automatic updates of 15-25 new titles per month
- No waits, holds or late fees for users
- OCLC-MARC records with holdings automatically set in WorldCat
- Marketing resources and support
- Usage reporting tools
- Live, Web-enabled training
- Ongoing support services

A growing collection of eAudiobook titles
