

Te Puna Mātauranga o Aotearoa

NATIONAL LIBRARY

OF NEW ZEALAND

A stylized globe of the Earth is the central focus, rendered in a dark blue, cracked, metallic texture. The continents are shown in a lighter, semi-transparent blue. Several glowing, neon green and light blue lines swirl around the globe, suggesting global communication, data flow, or interconnectedness. The background is a light blue gradient with faint, larger-scale globe outlines.

Going Global

**digital convergence across national libraries
and the global research communities**

**A New Zealand perspective by Penny Carnaby
National Librarian and CEO of the National Library of New Zealand
to the 2009 Annual RLG Partnership Meeting
10.00am Tuesday 2 June 2009**

Engine room of the knowledge economy

A word cloud on a blue background featuring various terms related to data, knowledge, and discovery. The words are in white and vary in size and orientation. The most prominent words are 'Data', 'Discovery', 'Scholars', and 'Knowledge'. Other visible words include 'Information', 'Heritag', 'Archives', 'Reuse', 'Mashup', 'Content', 'Cultural Archives', and 'Information'.

How to use this Website

Search

You can search this page

More complex searches can be initiated by following the search tips on this page.

Here are some search tips:

- By default only entries containing all terms will be returned.
- You can combine multiple words with OR to find entries containing any of the words.
- You can use parentheses to create more complex queries.
- Exclude a word by prefixing it with a minus sign (-).
- Use asterisks to search for partial words.
- Use quotation marks to search for exact phrases.
- Search terms are case insensitive.
- Common words are ignored.
- By default only the first 10 results are shown.
- Combine multiple searches with AND.
- Use parentheses to create more complex queries.
