

Add a new dimension to your eContent collection with eAudiobooks. OCLC in partnership with Recorded Books, the world's largest independent publisher and distributor of unabridged audiobooks, offers a subscription program on the NetLibrary platform that brings the latest best-sellers, book club favorites and award-winning authors to your library. Key features include:

- Simplified annual subscription
- Unlimited access
- 2,000 titles and growing
- Automatic returns
- Three-week checkout of up to 10 titles simultaneously
- OCLC-MARC records included
- Support for a wide range of media players and portable devices

### Seamless Integration

eAudiobooks integrate seamlessly with your existing collection to provide users with a single access point for eAudiobooks, eBooks, eJournals and more. With automatic check out and return, there's no physical inventory to manage and no re-shelving. Never again worry about damaged or missing tapes and CDs.

### Seven Subscription Collections

- **eAudiobooks Core Collection** - A growing collection of 1,240 titles of the latest best-sellers, book club favorites and award-winning authors. Additional titles are added on a monthly basis.
- **CEV Holy Bible Collection** - The most authentic unabridged Holy Bible ever produced, the CEV Holy Bible Collection offers a faithful and uncompromising translation of the original Greek and Hebrew manuscripts.
- **Children's and Young Adult Collection** - Featuring Newbery-winning titles and Caldecott-winning authors, this collection of nearly 400 titles is ideal for public libraries. Additional titles are added on a monthly basis.
- **eAudiobooks Essentials Collection** - 197 literary classics with enduring value. Writers include James Joyce, Mark Twain, Victor Hugo and more.
- **K-12 Schools Collection** - Designed specifically for K-12 schools, this collection offers nearly 400 great titles, low prices and a unique ticketing system for maximum local control on checkouts.
- **Pimsleur Language Series Collection** - Easy-to-understand lessons for beginners, intermediate level speakers and ESL students. 39 languages offered.
- **Popular Fiction for Academic Libraries** - Available exclusively to Academic Libraries, this collection currently features 126 popular fiction titles for leisure listening.

### High-Quality Audio Delivery

Narrated by professional actors with years of stage and screen experience, eAudiobooks from NetLibrary and Recorded Books are recorded in state-of-the-art facilities with both radio-quality and CD-quality files.

### Player Compatibility

eAudiobooks can be downloaded or played on any desktop, laptop or portable device that supports Windows Media Player 9 and above. You can also transfer titles to a wide range of portable devices, including music players and portable media centers from Archos, Creative Labs, Samsung, Toshiba and other manufacturers.
