

# WorldCat Toolbox

information services out-of-a-box

# Opportunity for OCLC

- Application service provider for the small and rural libraries of the world

# Building on Worldcat ...

- A global network of libraries sharing a suite of library services
- It's not the number of bib records; it's the number of libraries that matters

# Configuration Wizard

- easy plug and play set up
- remote support through interactive communication using voice, text or video

# Basic to Advanced Services

- Choice based on need and affordability

# Leveling Up the World of Libraries

- Low risk investment for OCLC
- Harvest mature and proven services
- A service to the world of libraries
