

Profiled Groups ACOV, BCOV, and CCOV

New profiled groups help you identify libraries that can supply electronic documents (ACOV), whole e-books (BCOV), or physical items from their collection (CCOV) during the COVID-19 crisis.

- [Video tutorial](#) (40 minutes), [slides](#) – Demonstrates two workflows for using ACOV and BCOV profiled groups, setting Days To Respond, and adjusting Deflections
- [Office hour recording](#), [slides](#) – Q&A on ACOV and BCOV
- [ACOV/BCOV documentation](#)
- To add or remove your library from ACOV or BCOV, complete this short [form](#)
- The CCOV list is based on the [Physical ILL Return and Lending Status](#) map. To add or remove your library from this map, complete this short [form](#)
