## Just Released

**Now you can:**
- Use improved Patron Summary popup
- More easily enter Staff Note
- Receive email alert when document is provided via Article Exchange
- Receive email alert when request goes unfilled
- Use book straps/stickers for both pull slip and shipping
- Create printouts in other languages

**Detailed enhancements:**
- Easily view all patron details without scrolling to full patron section at bottom of request
- When creating a note, immediately start typing in the text entry box
- Optionally receive alert when an Article Exchange link needs to be sent to the patron
- Optionally receive alert when a borrowing request reaches the end of the lender string and needs further processing
- Print book straps/stickers before marking request as Shipped
- Print requests and book straps/stickers in any of the 10 languages supported by WorldShare ILL

## Jul – Dec 2019

**You will be able to:**
- Apply additional Reasons for No
- Access Policies Directory in French

## Jan – Mar 2020

- Potential enhancements under review
