Communications 2.

FAR
BEYOND

Creating a Single Vision

➔ Communicating with units across campus
◆ Creating a shared vision
➔ Taking leadership for the project
➔ Creating project teams

Carpet Testing

Communicating with Students

➔ Student focus group
➔ Communications strategy
➔ Tour for student journalists

Student Focus Group

Students enjoying the Steelcase Brody Lounge

NRR Student Journalist Tour

Other Stakeholders

➔ Communicating with library staff
➔ Welcoming the community

The Smarter Library 3.

Addressing Community Needs

Different communities, with different needs:
➔ A knowledge commons
➔ A campus hub, a place to meet and study
➔ A space that the University could show off to visitors
➔ A functional space with technology integration
➔ A place to collaborate

Students in NRR

Students in NRR

Student Success

➔ How do we contribute to student success?
- ◆ Space: individual and collaborative
- ◆ Resources: access to collections and technology
- ◆ Help

➔ Increasing usage in the new spaces

Students in NRR

Lessons Learned

➔ Being a smarter library
➔ Collaborating with other departments
➔ Cleaning up cataloging records
➔ Have a counter in place!
➔ Furniture lessons

OCLC

Espace Bouvry

Le papillon, fleur sans tige,
Qui voltige,
Que l'on cueille en un réseau;
Dans la nature infinie,
Harmonie
Entre la plante et l'oiseau! ...

Extrait de « Les papillons », de Gérard de Nerval
