

.22 Types of vehicles

Unless otherwise indicated, class hybrid vehicles and bi-fuel (dual-mode) vehicles with the type of vehicle coming later in the schedules, e.g., vehicles powered by both a gasoline-fueled internal combustion engine and an electric motor 629.2293, vehicles powered by both gasoline and compressed natural gas, stored in separate tanks 629.22973

Class design, materials, construction of a specific type of vehicle in 629.23; class parts of a specific type of vehicle in 629.24–629.27; class driving a specific type of vehicle in 629.283; class nonsurface motor land vehicles, vehicles for extraterrestrial surfaces in 629.29. Class flexible fuel vehicles with the fuel that predominates, e.g., automobiles powered by fossil fuels with biofuel additives 629.222

> 629.222–629.228 Vehicles powered by fossil fuels and human-powered vehicles

Class here comprehensive works on a specific type of vehicle regardless of source of power, e.g., comprehensive works on trucks 629.224

Class three-wheeled motor vehicles in 629.222; class two-wheeled motor vehicles in 629.2275; class comprehensive works in 629.22

For natural gas vehicles, see 629.22973

.222 *Passenger automobiles

Including cyclecars, microcars, minivans, station wagons

Class here three-wheeled automobiles; comprehensive works on three-wheeled motor vehicles

Class passenger automobiles rebuilt or modified for high speed in 629.2286

For a specific type of three-wheeled motor vehicle, see the type, e.g., three-wheeled motorcycles 629.2275

See also 629.2234 for vans

.222 33 *Buses

For guided-way systems, see 625.4; for trolleybuses, see 629.2293

.227 *Cycles

.227 1 *Monocycles

One-wheeled vehicles with pedals, regardless of motorized assistance

*Do not use notation from Table 1 for models and miniatures; class in 629.221. Do not use notation from Table 1 for testing and measurement; class in 629.282. Do not use notation from Table 1 for maintenance and repair; class in 629.287

- .227 2 *Bicycles
 Two-wheeled vehicles with pedals, regardless of motorized assistance
 Class two-wheeled motor vehicles in 629.2275
 For mopeds and motor bicycles, see 629.2275; for tandem bicycles, see 629.2276
- .227 3 *Tricycles
 Three-wheeled vehicles with pedals, regardless of motorized assistance
 Class three-wheeled motor vehicles in 629.222
- .227 4 *Quadracycles
 Four-wheeled vehicles with pedals, regardless of motorized assistance
 Including pedal cars
 Class four-wheeled motor vehicles in 629.222–629.226
- .227 5 *Motorcycles
 Including minibikes, mopeds, motor bicycles; three-wheeled motorcycles
 Class here motorscooters, two-wheeled motor vehicles
 Class cycles with pedals in 629.2271–629.2274; class comprehensive works on three-wheeled motor vehicles in 629.222
- .227 6 *Tandem bicycles
 Regardless of motorized assistance
- .228 Racing cars and off-road vehicles
- .228 5 *Racing cars
 Conventional and converted
 Including karts
 For hot rods, see 629.2286
- .228 8 *Off-road vehicles
 Including all-terrain vehicles, dune buggies, snowmobiles
- .229 *Vehicles powered by other sources and vehicles powered by natural gas
 Class here alternative fuel vehicles
 Class comprehensive works on a specific type of vehicle regardless of source of power in 629.222–629.228, e.g., comprehensive works on trucks 629.224

*Do not use notation from Table 1 for models and miniatures; class in 629.221. Do not use notation from Table 1 for testing and measurement; class in 629.282. Do not use notation from Table 1 for maintenance and repair; class in 629.287

-
- .229 3 *Electric-powered vehicles
 Including trolleybus systems, trolleybuses
 *For solar energy-powered vehicles, see 629.2295; for fuel cell
 vehicles, see 629.22974*
- .229 5 *Solar energy-powered vehicles
- .229 7 Natural gas vehicles and hydrogen-powered vehicles
- .229 73 *Natural gas vehicles
 Class comprehensive works on vehicles powered by fossil fuels in
 629.22
- .229 74 *Hydrogen-powered vehicles
 Class here fuel cell vehicles

*Do not use notation from Table 1 for models and miniatures; class in 629.221. Do not use notation from Table 1 for testing and measurement; class in 629.282. Do not use notation from Table 1 for maintenance and repair; class in 629.287
