
808.8**Preference order for more than two literatures**

Here are examples illustrating the preference order for collections of texts in more than one form from more than two literatures. The preference order is the same for criticism (809).

1. Specific themes and subjects, e.g., 808.80382 (religion)
2. Specific elements, e.g., 808.8024 (plot)
3. Specific qualities, e.g., 808.8013 (idealism)
4. For and by specific kinds of persons, e.g., 808.899282 (children)
5. Period, e.g., 808.80033 (18th century)
