

.01–.03      Specific periods

Add to base number 888.0 notation 1–3 from the period table under 881–888, e.g., classical Greek miscellaneous writings of the ancient period 888.01; then add further as follows:

For works by or about an individual author, follow the instructions for adding further at —81–89 in Table 3A, e.g., collected works of an individual author not identified with a specific form who wrote in the ancient period 888.0109

For works by or about more than one author, follow the instructions for adding further at —81–89 in Table 3B, e.g., collected epigrams of authors who wrote in the ancient period 888.010208

Numbers following the period notation have been reused with new meanings
