

- 014 301 Philosophy and theory
 Notation —01 from Table 1 as modified below
 Do not use for schools and theories of semantics; class in
 —0143018
- 014 301 8 Schools, theories, methodologies
- 014 301 82 Formal linguistics
 Including generative semantics
- 014 301 83 Functional linguistics
- 014 301 835 Cognitive semantics
 Class here frame semantics
- 018 Schools, theories, methodologies
 For works on schools, theories, methodologies that stress semantics, see
 —0143018; for works on schools, theories, methodologies that stress
 phonology, see —15018; for works on schools, theories, methodologies
 that stress syntax, or syntax and phonology, see —5018
- 018 1 Structural linguistics
- 018 2 Formal linguistics
- 018 22 Generative linguistics
- 018 3 Functional linguistics
- 018 33 Systemic functional linguistics
- 018 35 Cognitive linguistics
- 018 4 Dependency linguistics
- 018 42 Meaning-text theory
- 150 1 Philosophy and theory
 Notation —01 from Table 1 as modified below
 Do not use for schools and theories of phonology; class in —15018
- 150 18 Schools, theories, methodologies
- 150 182 Formal linguistics
 Including generative phonology
- 150 183 Functional linguistics
 Including cognitive phonology
- 501 8 Schools, theories, methodologies
- 501 81 Structural linguistics
 Class theories combining elements of structural linguistics and
 functional linguistics in —50183
- 501 82 Formal linguistics

-
- 501 822 Generative grammar
 - Class here transformational grammar, government and binding theory, minimalist program
 - 501 823 Constituency grammars
 - Class here phrase structure grammars
 - For generative grammar, see —501822*
 - 501 823 4 Lexical functional grammar
 - 501 823 5 Categorial grammar
 - 501 824 Case grammar
 - 501 825 Relational grammar
 - 501 826 Tree-adjoining grammar
 - 501 83 Functional linguistics
 - Class here theories combining elements of structural linguistics and functional linguistics
 - 501 832 Functional discourse grammar
 - Class here functional grammar as a linguistic theory (e.g., the theory of Simon Dik)
 - 501 833 Systemic functional grammar
 - 501 834 Role and reference grammar
 - 501 835 Cognitive grammar
 - 501 836 Construction grammar
 - 501 84 Dependency grammar
 - Including word grammar
