Frequently Asked Questions for print-on-demand

Dewey Decimal Classification

1) Why is OCLC making this change?

We developed this solution based on community feedback that libraries still want access to an offline resource to perform their classification work, especially in places where internet connectivity is unreliable. Plus, with this option, institutions can now receive more timely updates of the DDC in a print version than was available in the previous seven-year release schedule.

2) How frequently will the Dewey Decimal Classification 4-volume print-on-demand set be updated with changes to the DDC?

The Dewey Decimal Classification print-on-demand 4-volume set will be updated every January and July.

3) Is the Dewey Decimal Classification print-on-demand 4-volume set available in any other language besides English?

No, it is only available in English.

4) What is the price for the Dewey Decimal Classification print-on-demand 4-volume set?

The price is $400 USD per 4-volume set.

5) How do I order the Dewey Decimal Classification print-on-demand 4-volume set?

You can order it directly from Ingram.

6) What is the turnaround time for the Dewey Decimal Classification print-on-demand 4-volume set?

Orders are generally manufactured and shipped out within 24 hours of receiving the order request.
