**1956 Hungarian Memorial Oral History Project**

Oral testimonies honouring the refugees of the Hungarian Revolution of 1956.

The 1956 Hungarian Memorial Oral History Project celebrates the refugees of the Hungarian Revolution of 1956 by digitizing 400 hours of oral testimonies collected by second and third generation Hungarian-Canadians. The interviewees tell their personal stories of their involvement in the 1956 Revolution, their reasons for leaving and means of escape, places they lived en route to Canada, and the course of their lives in Canada. They also describe their ongoing relationship to their culture, language and religious practices, and to the community both in Canada and still in Hungary.

- You don’t know how happy I was to spot this picture. This is a photo of my grandmother. She was so proud of her days as a motorette and loved talking about it every chance she got. She died suddenly last August and we miss her very much. I love this picture of her, she has a great smile on her face. Thanks for posting it.
