Your collections in WorldCat are about to get more global!
Cooperative copy cataloging

– In 2015, 17+ million records were copy cataloged online.
– Additional time to create an original record = ~10 minutes.
– Libraries saved ~3 million hours of work.

That’s over 340 years!

WorldCat®
• **Automate** electronic and print collection workflows in one place
• **Improve** the quality of your catalog
• **Highlight and share** your electronic collections
