

FirstSearch interface changes will support shared print initiatives

On July 24, information about shared print collections will be added to FirstSearch. Access to retention commitments in the FirstSearch interface will save time for librarians who already rely on FirstSearch in their collection management workflows. The display of this information in FirstSearch represents the initial stage of FirstSearch enhancements supported by a [grant from the Andrew W. Mellon Foundation](#).

Retention commitment information will be visible to users in the following areas of the FirstSearch interface:

- **Advanced search limit to *Shared print commitments only***

Limit availability to: match any of the following

- Items in my library (OCL, OCLC INC) ?
- Items in Ohio OHIO STATE UNIV THE ▼
- Shared print commitments only

This additional information will be visible to all FirstSearch users.

The display of shared print information will be visible to all FirstSearch subscribers at no additional charge. No configuration changes are required for shared print details to display.

The shared print commitment information that will display in FirstSearch comes from data included in Local Holdings Records (LHRs) on which the shared print flag has been set.

Contact OCLC Support in your region for assistance with shared print registration commitments.
