RECORD EDITING

If your project includes materials in non-Latin languages:

Do you want OCLC to add non-Latin characters?

Yes No

Do you want OCLC to verify non-Latin characters that are already present in matching records?

Yes No

Should existing WorldCat records delivered for non-Latin languages retain the non-Latin characters if already present?

Yes No

Authority control:

Do you want OCLC to verify the form of entry for name, uniform title, series, and subject headings in the LC Name and Subject authority files for copy cataloging?

Yes No

Adding or editing fields for local information:

Please provide a description of fields to be added or edited for local information, and provide examples of local data, including MARC tags, indicators and subfields in the box below.

Examples: Constant data, input stamps, item level local data, etc.

049 [REF] <symbol>

910 OCLC cataloging

949 1_ <call number> ‡c <volume number> ‡g <copy number> ‡i <barcode number>

If item level local data fields are required (e.g., 852 or 949 fields), is a subfield order also required?

Yes No

If yes, please provide the MARC tag and subfield order:

Deleting fields:

Do you want OCLC to delete any MARC fields that are present in matching records?

Yes No

If yes, please list the fields to be deleted, including indicators when applicable:
