2.2 Maintenance. OCLC will operate, monitor and administer all servers, applications and networks supporting the Services. In order to provide such coverage, OCLC may utilize a mixture of on-site and on-call support staff, automated server monitoring and automated paging technology. OCLC's on-site coverage is during OCLC's normal business hours, Monday through Friday, excluding holidays recognized by OCLC.

2.3 Scheduled Outages. Maintenance outages, if necessary, will be conducted at a time and in a manner to minimize adverse impacts on the Services. Maintenance outages will include, but are not limited to the installation of upgrades, service packs and routine server or application configuration changes. Other maintenance outages may be necessary from time to time.
