

Libraries realize success with WorldShare® Management Services

Time savings

We have more time to help our students. We want to be more student focused.

ROGER WILLIAMS UNIVERSITY

Simplified workflows mean we have more time for information and digital literacy programs and digital humanities projects.

THE AMERICAN COLLEGE OF GREECE

Saving time allowed us to inventory our collections, catalog our special collections, and create a game night.

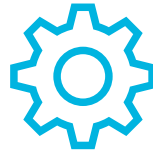

PEPPERDINE UNIVERSITY

Time saved resulted in more time to focus on our patrons and guests.

PRITZKER MILITARY MUSEUM & LIBRARY

Time saved gave us the freedom to start to move into collaborative work with our faculty.

COLLEGE OF ST JOHN'S UNIVERSITY

New functionality

Our patrons now can renew items online, place holds online, and request items online from our sister college.

IRVINE VALLEY COLLEGE

We now maintain and provide access more easily to 35,000+ educational streaming videos.

MEDICINE HAT COLLEGE

We have embraced a system that can scale with us, promote efficiency, and foster educational and research innovation.

UNIVERSITY OF BRISTOL

Our students now find it easier to be mobile, move about the library system, and receive consistent service.

ANTIOCH UNIVERSITY

With the cloud-based system and applications, we're more flexible and can move about campus any way we need to.

BRIDGEWATER COLLEGE

Improved services

We've been able to give our students the ability to search our library's catalog and journal articles at the same time.

CENTRAL COLLEGE

We provided our students with better access to our collections and the collections of libraries we partner with.

BERGEN COMMUNITY COLLEGE

Our consortium implemented "PALShare" so that our students can receive their requested items quickly.

PRIVATE ACADEMIC LIBRARY NETWORK OF INDIANA (PALNI)

Students appreciate that they aren't going from database to database since search results appear in one list now.

NORTHERN KENTUCKY UNIVERSITY, LAW LIBRARY

An increase in scale means access to global resources for users and better workflows for staff.

UNIVERSIDAD COMPLUTENSE DE MADRID

Budget savings

Collaborating means that there are more opportunities for learning, reduced costs, and increased access to information.

UNIVERSITY OF GLOUCESTERSHIRE

Budget savings allowed us to purchase a number of new electronic resources.

UNIVERSITY OF NORTH CAROLINA AT GREENSBORO

The applications allow us to analyze everything and make sure we are achieving real return on investment.

MAASTRICHT UNIVERSITY

We realized budget savings as well as more responsive support and training, which is included with WMS.

MENLO COLLEGE

Budget savings let us offer our patrons a dynamic and innovative library system in a cost-effective manner.
