

# Libraries realize real results with WorldShare® Management Services

## Time Savings

Time saved with cataloging enabled us to process a major gift donation.

### TABOR COLLEGE

Time saved with cataloging can now be used to work on special collections and archives.

### DOANE COLLEGE

Time saved resulted in the ability to create new instructional guides.

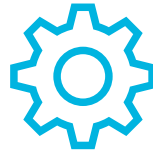

### NEWBURY COLLEGE

Time saved enabled us to inventory our collections, catalog our special collections and create a game night.

### PEPPERDINE UNIVERSITY

Time saved with cataloging allowed us to create research guides and a new library website.

### BAY COLLEGE

## New Functionality

Single-search functionality helps students easily discover the library.

### SETON HALL LAW SCHOOL

We now have the ability to independently generate reports and regulate permissions.

### UTICA COLLEGE

Our students get integrated access to e-books, e-journals and course reserves.

### VANGUARD UNIVERSITY

New functionality gives us better integration of cataloging and discovery services.

### SIMPSON UNIVERSITY

New LDAP authentication works with our institution's Banner system.

### DE ANZA COLLEGE

## New Opportunities

We completed a weeding project and replaced items with e-books and newer editions.

### LAWRENCE TECHNOLOGICAL UNIVERSITY

Our consortium created a \$100,000 demand-driven acquisitions e-books fund.

### PRIVATE ACADEMIC LIBRARY NETWORK OF INDIANA (PALNI)

We hope to have the freedom to engage more with our campus community.

### MACALESTER COLLEGE

We were able to establish a demand-driven acquisitions e-book program.

### COVENANT COLLEGE

We've enabled students to take over the cataloging of library items with minimal training.

### MIDLAND UNIVERSITY

## Budget Savings

Budget savings of 75% over our previous ILS, plus additional functionality like a link resolver, knowledge base and single-search interface made us happy.

### DORDT COLLEGE

Budget savings enabled us to acquire an Espresso book-making machine.

### UNIVERSITY OF NEW BRUNSWICK

Budget savings allowed us to purchase a number of new electronic resources.

### UNIVERSITY OF NORTH CAROLINA AT GREENSBORO

Budget savings enabled us to offer 430,000 e-books to our patrons.

### UNIVERSITY OF NEBRASKA OMAHA

Budget savings enabled us to purchase an institutional repository.

### BUCKNELL UNIVERSITY

### 1st WMS library went live

September 2010

### 1st library in Canada to select WMS

University of New Brunswick

### WMS released for general availability

July 2011

### 1st library in Australia to go live

Lowther Hall Anglican Grammar School

### 1st library in Europe to go live

Tilburg University

### 1st academic library group to implement WMS

Private Academic Library Network of Indiana (PALNI)

### 1st library in Africa to go live

University of KwaZulu-Natal

### 500 WMS libraries in 5 years

July 2016

Visit [oc.lc/WMS](http://oc.lc/WMS) to learn more.

Watch videos and read stories from librarians about how they're doing things differently so they have time to do different things.
