

Find what you want in WorldCat

Access for unique needs

The best place to look for special materials such as Braille books for children or large-print editions is your library. The second best place is WorldCat.

Almost any resource you want to find you can locate in WorldCat. Books about learning disorders. Information on physical disabilities. Audio books. And more.

MATERIALS FOR PEOPLE WITH DISABILITIES

What you can find

- Braille books for all ages
- Resources on learning disabilities
- Best sellers in large-print
- Audio books of classic literature
- Disability law information

Getting started

1. Ask library staff to help you get to a WorldCat search page.
2. At the Advance Search page, enter the topic or key word you want to research in Search for: field and click Search.
3. Search results appear in a numbered list of brief records.
4. Use the Related Subjects or Limit buttons on the top to expand or fine-tune your search.

Contact your librarian for more information or help.

WorldCat is the world's largest database of library collections.
