Report "Print Management at Mega Scale" takes R. Florida "mega regions" concept & applies to library print management thinking #ormega

merrileeiam Merrilee Proffitt
ARL institutions represent only 28%, while nonARLs represent 35% of the print inventory -- nonARLs play a significant role #ormega

merrileeiam Merrilee Proffitt
Thinking about reorganization of a library system in terms of shifts in higher ed (i.e. MOOCs) is important #moodlib #ormega
