

The background of the slide features a large, semi-transparent watermark of the University of Edinburgh crest. The crest depicts a hand holding a book, with a shield and a crown above it. The words 'UNIVERSITY OF EDINBURGH' are written in a circular path around the central image.

Looking after our research

Sheila Cannell
Director of Library Services
University of Edinburgh

...the most measured HE environment...

University of Edinburgh Strategic Plan 2008-2012

Our vision

To shape the future by attracting and developing the world's most promising students and outstanding staff.

Our mission

The mission of our University is the creation, dissemination and curation of knowledge. As a world-leading centre of academic excellence we aim to:

- enhance our position as one of the world's leading research and teaching universities, and to measure our performance against the highest international standards
- provide the highest quality learning and teaching environment for the greater wellbeing of our students and deliver an outstanding educational portfolio
- produce graduates fully equipped to achieve the highest personal and professional standards
- make a significant, sustainable and socially responsible contribution to Scotland, the UK and the world, promoting health and economic and cultural wellbeing.

Research outputs in the research workflow

Research outputs have maximum visibility to researchers worldwide

Researcher carries out research and creates knowledge through research outputs

Library curates and disseminates research outputs

University of Edinburgh repositories

Publications Repository

Edinburgh Research Archive

Publications Repository

Grew out of work for RAE, bespoke applications

Input

By researcher, or proxy in research group/department/School

From harvesting subject repositories

Individual entry or bulk loading

Content

Complete record: per reviewed and non peer reviewed research outputs

Full text, or metadata only where necessary

Metadata checked and enriched by library staff

Links to other enterprise systems for research management

Closed repository—access only within UoE

Transfer to ERA (OA repository)

Information about status as part of input process

Automatic transfers to ERA unless embargo, copyright issues

Automatic ROMEO checking, backed up by library staff checking

Incentivisation to deposit—carrot and stick

Output in customised formats

Reports and statistics

Long term curation of research outputs

University authority

RLG Paris, November 2008

Edinburgh Research Archive

Open Access repository

DSpace

Peer reviewed articles and theses

Input only from Publications Repository

Available for harvesting, cross-searching

University of Edinburgh Open Access Publications Policy

Theses mandate, agreed 2005, comes into effect 2008

Open Access Publications Policy, in progress

- Deposit in Publications Repository, and where appropriate Edinburgh Research Archive
- Copyright retention
- Naming policy

Current work & challenges

Establishing workflows in partnership with researchers

Incentivisation for populating repository

Balance of work researcher / library staff

Advocacy on open access / copyright retention

Dealing with complex objects / metadata

Links to research data

Integration with other enterprise systems (research management)

Versions

Preservation

Collaborative level

Scotland is collaborative
