Distinctive [library] services need to be "captured" and reflected back so the community can learn from them [#orlp](#)

[Keri Cascio @keribrary](#)

Anyone know if the new ARL Position Bank will be open to all or just [#ARL](#) members. I couldn't tell when I saw the announcement. [#orlp](#)

[Jennifer LaSuprema @lasuprema](#)

Increased emphasis on student outcomes is well-served by increasing digital access to archival collections [#orlp](#)

[Mark Evilsizor @markevilsizor](#)

Could you talk a bit about metrics specifics for the 21st century attributes listed [#orlp](#)

[Bob Kosovsky @kos2](#)

MT [@blendedlib](#): Glad new metrics will move away from inputs to outcomes + library impact on learning and academic success [#orlp](#) [#altmetrics](#)

21st library: shared collections, cooperative governance, disclosure of library assets on the network level [#orlp](#)

[Jennifer LaSuprema @lasuprema](#)

Research Libraries are realizing special collections make them unique. Improved Digital access is imperative. [#orlp](#)

[Merrilee Proffitt @MerrileeIAm](#)

Although shift is happening, it's happening at a rate that won't make a difference very soon - replacement rate is around 1% [#orlp](#)

Special Collections materials: unique materials lead libraries to connect in new ways to clients [#orlp](#)

[steven bell @blendedlib](#)

Surprised that "user studies" is so low a priority - if we don't know and understand our users how do we succeed in these other areas [#orlp](#)

[steven bell @blendedlib](#)

The research library future is not about library collections but librarians - Jim - i hope you will elaborate on that [#orlp](#)

[Keri Cascio @keribrary](#)

Information environment is increasingly flat, library values and are challenged - move towards client support and research engagement [#orlp](#)
