Reminders/tips

- Use one browser for QuestionPoint and chat and another browser for research and other web activities to help prevent closing your chat sessions inadvertently.
- Limit the number of programs running on your computer.
- Verify and clarify patron's request.
- Remind patron to click **Exit Chat** to receive transcript.
- Send messages often to keep patron engaged.
- Explain your actions and verify that patron sees pages sent.
- Verify that patron's need was met before you end the call.
- Refer questions to others as needed:
 - Use Transfer button during session.
 - Use Follow Up resolution codes at end of session.
 - Use Refer To drop-down in QuestionPoint after session.

End a call (chat session)

End each call when finished to improve system performance.

- 1 Verify that the patron's need was met and confirm any needed followup.
- 2 Click the **End Session** button.
The system removes the session from the My Active list and sends transcript to patron's e-mail address if provided.
- 3 Select a resolution code and click **Add**.
- 4 If you wish:
 - Select and add up to four description codes. Do this only if you chatted with one of your library's patrons.
 - Add a librarian note and click **Send**.
 - Add a patron message and click **Send** to send the message and transcript to patron's e-mail address.
- 5 Click **Close** to clear the session from the monitor.

The resolution code, description codes, and librarian notes are added to the transcript in QuestionPoint only. Each patron message is sent to the patron in another copy of the transcript.

Log off (end your chat shift)

You must log off so that the system knows your shift has ended.

- 1 End any active chat sessions.
- 2 If you expect a replacement, click the **Librarians** tab to see if your replacement is logged on.
- 3 Click **Logout**.
- 4 Click **Close Window**.
- 5 Return to the QuestionPoint window.
- 6 Click **Exit** if you have finished using QuestionPoint.

Troubleshooting

- View the patron's connection status under My Active:
■ Good | ◆ Slow or not responding | ● No longer connected

- If the patron does not reply right away, wait until ● appears before ending the call.
- Document problems for use when requesting support. Include Question ID from Question Preview or Info tab.
