T2--0 Table 2. Geographic Areas, Historical Periods, Persons ▾

T2--0	Table 2. Geographic Areas, Historical Periods, Persons
T2--001-T2--008	Standard subdivisions
T2--009	History
T2--01-T2--05	Historical periods
T2--1	Areas, regions, places in general; oceans and seas
T2--2	Persons
T2--3-T2--9	Specific continents, countries, localities; extraterrestrial worlds

Notes ▾

The following numbers are never used alone, but may be used as required (either directly when so noted or through the interposition of notation T1--09 from Table 1) with any number from the schedules, e.g., wages (331.29) in Japan (T2--52 in this table): 331.2952; railroad transportation (385) in Brazil (T2--81 in this table): 385.0981. They may also be used when so noted with numbers from other tables, e.g., notation T1--025 from Table 1. When adding to a number from the schedules, always insert a decimal point between the third and fourth digits of the complete number
